FOLD

cdlabelgen 4.1.0 © 2001–2008 Avinash Chopde <avinash@aczoom.com>

home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Doctor's Wife

Mary Elizabeth Braddon

The Doctor's Wife

The heroine, Isabel Sleaford, was driven early in her childhood to bury herself in, and develop her sense of self through, romantic novels and poetry. She is thus ill-adapted to the conventional, provincial structures and strictures laid upon her when she marries the very good and adoring, but also boring and unimaginative, Dr. George Gilbert. Isabel forms friendships with men (including her husband's best friend) who are more amenable to her romantic inclinations, and inevitably encounters social condemnation as a result. The book shows how life's tragedies and the world's cruel judgments shape Isabel, as she grows more mature, somewhat embittered, but also – true to her nature – beautifully resilient. (Summary by Kirsten Wever)
